*"Overcoming poverty is not a gesture of charity. It is an act of justice. It is a protection of a fundamental human right, the right of dignity and a decent life..."*  
*Nelson Mandela*

### THE NEED...

The reality is overwhelming. Too often, too many nations suffer the indescribable horrors of war and genocide, and the devastating impact of poverty. Every single day at least 30,000 sons and daughters will die as a result of preventable causes. Every day, families are devastated, children orphaned, mothers infected and babies abandoned.

### THE ACTION...

Hope Partners is a monthly partnership with Hope Rwanda. Hope Partners commit to directly impacting the area of most need. Monthly giving allows you to commit to a regular payment that is deducted on the 15th of every month through your choice of payment method. Every single contribution helps and we are most grateful for your support.
